

JOIN THE HARDY MS "180" CAMPAIGN

Dear Parents,

Is making the education your child receives at Hardy Middle School the best it can be worth *one dollar a day*? Shouldn't a non-profit organization devoted to improvement of your child's public school be one of your biggest charitable contributions?

In addition to your \$20 family membership dues, we're asking you to consider a contribution of \$180, or another amount that fits your family budget, to support the PTA as we launch an ambitious effort to support our students, teachers and families during the 2011-2012 school year. With your support, we intend to:

- Launch a new, user-friendly website to give parents and prospective parents accurate, up-to-date information about all the fabulous things that our students and staff are doing at Hardy each day
- Publish a Student Directory so Hardy students and families can get in touch and stay connected
- Provide support for the new Hardy garden program the Science Team and the D.C. Department of the Environment are developing, and
- Support Hardy band programs, sports, clubs and other extracurricular activities so our children have the richest possible middle school experience

We hope you'll join us in contributing what you can to the Hardy 180 Fund ... and helping us make 2011-12 and a great year at Hardy!

Sincerely,

Your PTA
